NOTE FROM THE DIRECTORS:

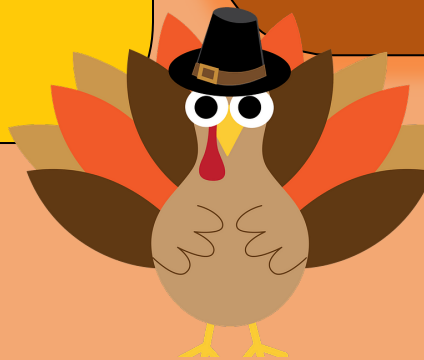

We are so thankful to have such loving families here at EMAS. We truly appreciate your cooperation and understanding as we navigate through these trying times.

We look forward to this month of gratitude, and will focus largely on grace lessons and thankfulness in all our classrooms.

We also will be completing our biannual conference assessments for each child during this month. We are not hosting face-to-face conferences at this time. A copy of the assessments will be sent home with your child upon completion.

As always, we strive to provide the best care for our families at EMAS.
